

# Sugar Cookies

Recipe and Photo From Big Green Egg.

## Instructions:

Roll dough out flat on lightly floured surface, as you would while making any other shaped sugar cookie.

Print out stencil and cut gray area out with scissors. Lay EGG stencil on dough and carefully use knife to cut around the dough. Lay cookies on lightly floured Baking Stone.

Set EGG for indirect cooking with the convEGGtor and follow instructions on recipe/package for sugar cookie dough for timing and temperature.

Decorate as desired!
