Use all blanks below to list the preferred WEEK to have your swimming pool opened. We schedule as we receive this completed contract.

**Preferred Week of Opening** \_\_\_\_\_ **Second Preference** \_\_\_\_\_ **We will notify you of your exact date.**

We will make every effort to schedule work as close to the requested date as possible. We can not be responsible for delays due to weather or ground water conditions. All work scheduled on a first come, first served basis. No scheduled times will be given.

**Pool Opening Includes:** Removal of winterizing plugs and antifreeze, where possible and practical. Reinstallation of: Pump filter and/or filter parts, gauges and fasteners. Exposed piping and equipment will be inspected, and system will be started if possible. **Cleaning of side walls or vacuuming of pool is excluded from this service contract unless added below.**

- Complex systems e.g. In-floor cleaners, water features, etc. that require additional labor will be assessed accordingly.
- Jobs outside 25-mile radius will be billed extra travel.
- **REPAIRS ARE NOT A PART OF POOL OPENING.** Repairs and/or replacement of poor equipment must be authorized by customer and will be invoiced on a separate work order, work will be scheduled for a return as quickly as our schedule will allow.
- All items must be out and accessible at the time of opening. Any equipment plugs, sight glasses, pressure gauges, baskets, or other necessary equipment (will be replaced if on the truck) and billed at an additional charge. If we do not have the necessary equipment to open the pool, it will need to be rescheduled through the office.
- **Water level of the pool must be at the center of the skimmer at the time of opening or we can not start the equipment.** If we have to return to start the equipment, this is not included in the opening price, and you will be rescheduled the next available date and will have a **\$60 return trip fee.**
- **Winter cover must be clear of any excessive water, leaves, and debris on it at time of opening.** If not, we will need to reschedule, and you will be rescheduled the next available date and will have a **\$60 return trip fee.**
- Please bring a water sample into the store for analysis after the pool has been circulating for at least 24 hours.
